NOW COMES Defendant Accuride Erie, L.P., by and through its undersigned counsel, pursuant to Rule 33 of the Federal Rules of Civil Procedure, and serves these interrogatories upon Plaintiff Gregory Goodwin. These interrogatories are to be answered fully and completely, in writing and under oath, within 30 days from the date of service hereof.

INSTRUCTIONS

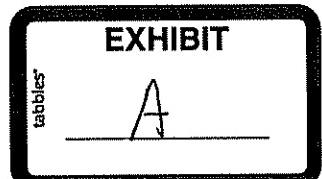

These interrogatories are continuing in nature. Plaintiff is obligated to provide supplemental answers to each of these interrogatories in the event that additional information is hereafter obtained or discovered by Plaintiff, his attorney, or any other person or entity for Plaintiff or on Plaintiff's behalf.

Whenever the answer to an interrogatory requires the identification of any person, Plaintiff shall provide the following information with respect to each person: full legal name, complete home address and complete business address, and nature of relationship to Plaintiff (e.g., friend, supervisor, peer, coworker, subordinate).

Whenever the answer to an interrogatory requires the identification of a corporation, business or other entity, Plaintiff shall provide the following information with respect to each: full legal name and complete address.

Whenever the answer to an interrogatory requires the identification of a document, the answer shall describe such document with sufficient particularity so that Defendant, by reasonable and appropriate means, can examine the document.

In lieu of identifying particular documents, said documents (or photocopies thereof) can be attached, at Plaintiff's option, provided that each document is appropriately marked to specify the interrogatory or portion thereof to which it is responsive.

Whenever the answer to an interrogatory requires the identification and description of any acts, Plaintiff shall: (1) describe the substance of the event or events constituting such act and state the date when such act occurred; (2) identify each and every person participating in such act; and (3) identify each and every person witnessing such act.

Answer every interrogatory. No question is to be left blank. If the answer to an interrogatory is "none" or "unknown," such statement must be written in the answer. If the question is inapplicable, "N/A" must be written in the answer.

Whenever a date, amount, or other computation or figure is requested, the full and exact date, amount, computation or figure is to be given unless it is unknown. If so, give the best estimate or approximation thereof and note that such answer is an estimate or approximation.

If Plaintiff is asserting any privilege in lieu of answering any interrogatory, identify the reason for asserting the privilege, the general substance of the answer Plaintiff considers to be privileged, the person(s) involved, and the date(s) involved.
